Produto Educacional parte da dissertação intitulada “O USO DE RECURSOS DIDÁTICOS NAS PRÁTICAS DE LETRAMENTO EM LIBRAS: uma experiência em salas regulares bilíngues para surdos no município do Recife” apresentada ao Programa de Pós-Graduação em Educação Básica ofertado pela Universidade Federal de Pernambuco, Recife, PE, 2024.

PROFESSORES E PROFESSORAS

Este material foi elaborado a partir de um estudo sobre as práticas de letramento em Libras com estudantes surdos. Objetiva auxiliar nos momentos de ensino do componente curricular Libras, baseado na perspectiva do Letramento.

São atividades que estimulam o conhecimento gramatical da Libras, através da ludicidade.

Esperamos que este material se torne um aliado nas suas aulas de Libras.

Large portrait of a woman with her mouth open in an 'O' shape. Above it is a small row of three grayscale images of the woman in the same pose, with a pointing hand icon to the right. Below the main portrait is another row of three grayscale images of the woman in the same pose, with a thumbs-up icon to the right. In the center is a medium portrait of the woman with her mouth open and her right hand held flat against her chest, with a white arrow pointing upwards from the center of the palm. To the right is a full-body image of the woman with her hands held out at chest level, palms facing each other, with two white arrows pointing downwards from the palms.

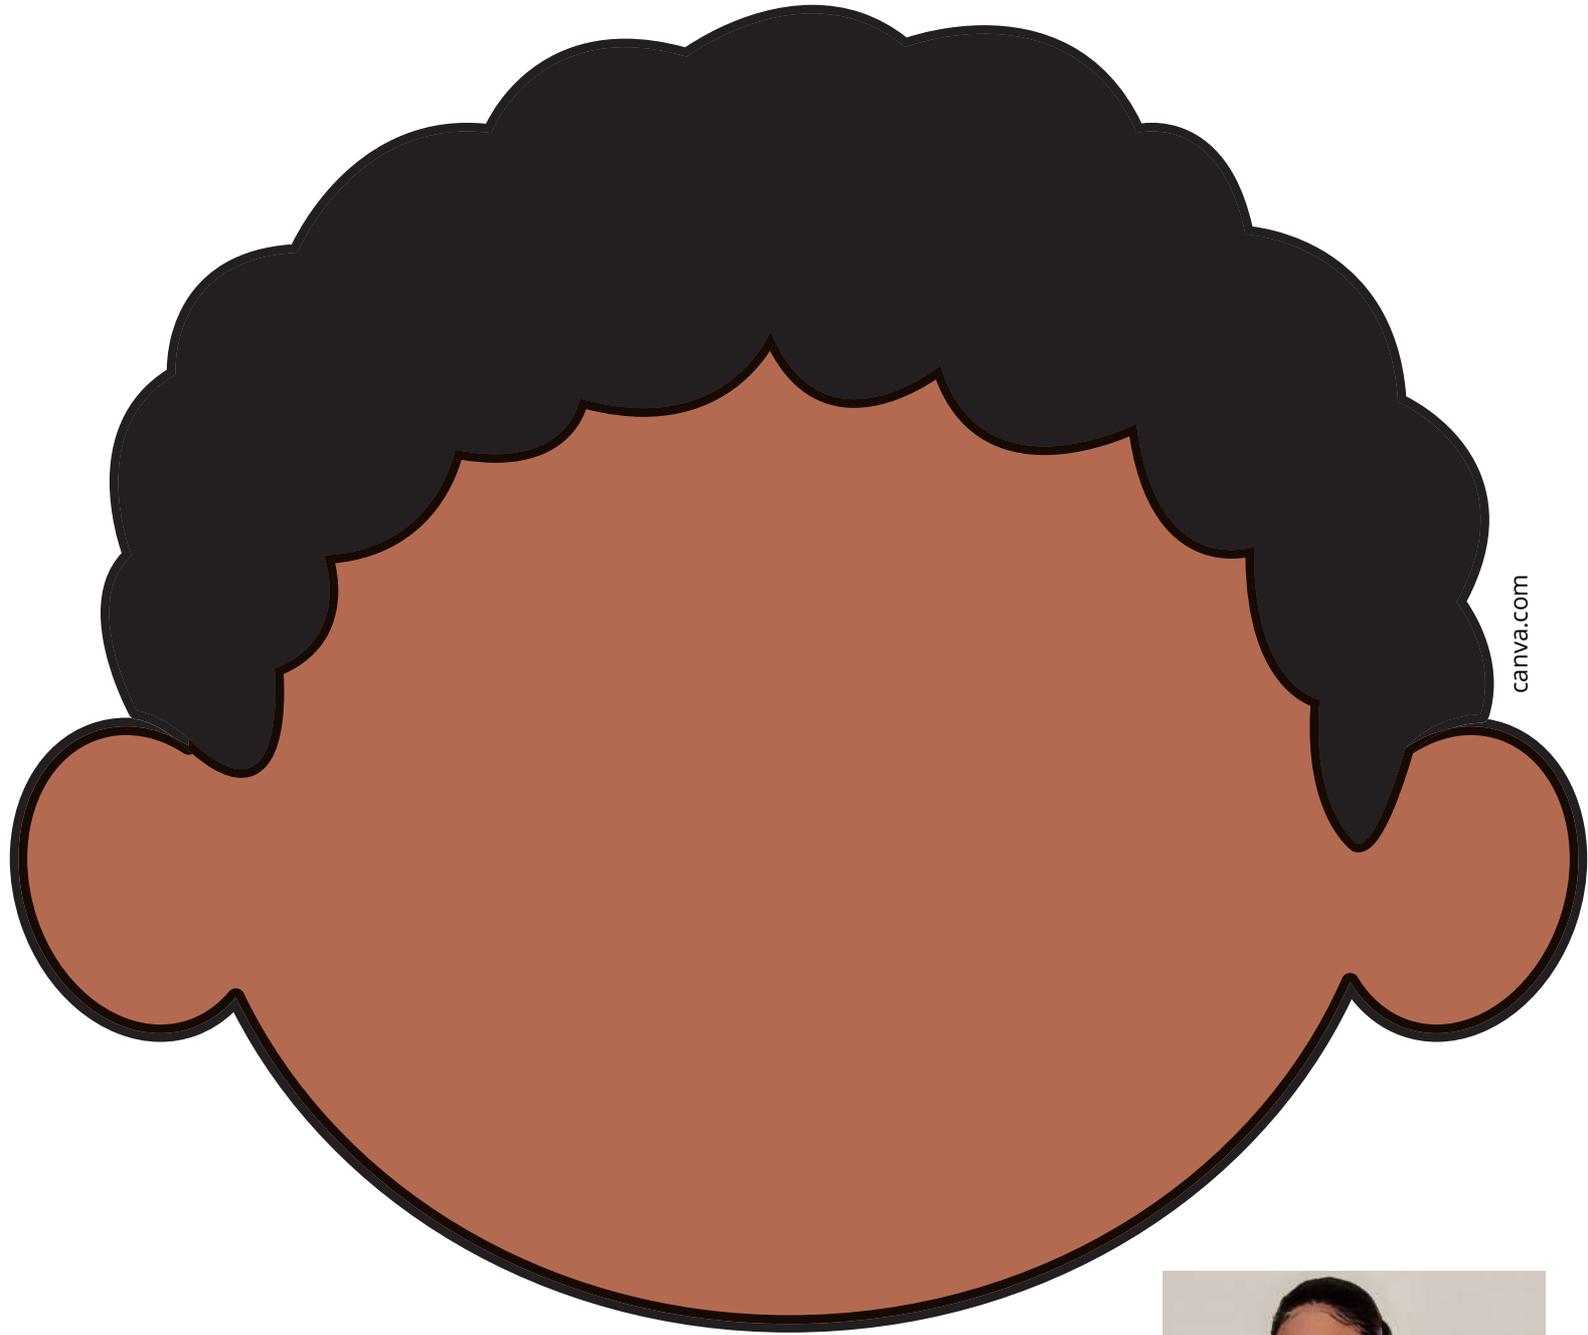

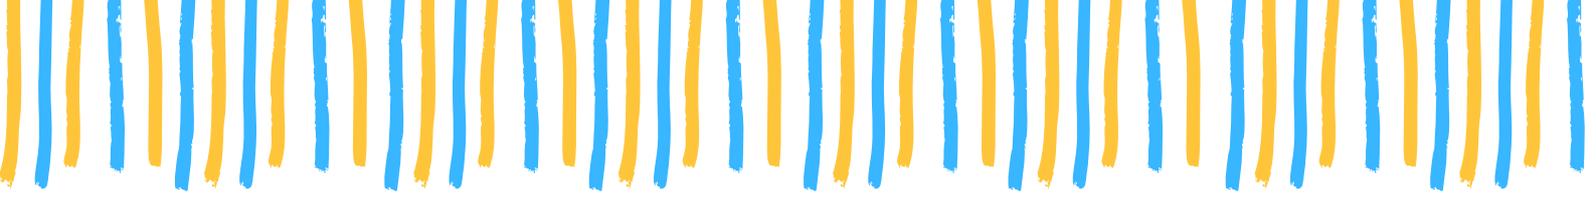

Large portrait of a woman smiling. Above it is a small row of three grayscale images of the woman in the same pose, with a pointing hand icon to the right. Below the main portrait is another row of three grayscale images of the woman in the same pose, with a thumbs-up icon to the right. In the center is a medium portrait of the woman with her right index finger pointing up to her chin. To the right is a full-body image of two women; the one on the left has her right hand held flat with a white arrow pointing upwards from the center of the palm, and the one on the right has her hands held out at chest level, palms facing each other.
